

CoECCC Dial in Audio Conference

19 Dec 2017

San Antonio, TX

Meeting Minutes

Recorded By:

Mr. Dominick Sestito

19 Dec 2017

Meeting Commenced at 1400

- 1. Administrative Remarks and Introductions (LTC Cunningham):** LTC Cunningham, the Chair of the Committee on EnRoute Combat Casualty Care (CoECCC), convened the meeting and welcomed participants. Mr. Dominick Sestito, Senior Administrative Assistant – JTS, took minutes.
- 2.** Brief discussion about archived presentations and minutes from last conference. New Ed&Tr Branch Chief Darren Schwartz has for action to be posted on new committee webpage.
- 3. Policy/ Doctrine Sub-committee-** 3 Level discussion and discussion of joint theater patient evacuation. Col Shackelford referred to the Joint Trauma Lexicon suspense by 15 Jan. Col Ervin reminded to focus on clinical vs. operational terminology. LCDR Hardy posed initial question of who was recommended the civilian model description.

Discussion on Vision statement/mission statement: Basing the CoERCCC on the JTS statement

The mission of the Joint Trauma System (JTS) is to provide evidence-based process improvement of trauma and combat casualty care, to drive morbidity and mortality to the lowest possible levels, and to provide evidence-based recommendations on trauma care and trauma systems across the Department of Defense (DoD).

- 4. CPG sub-committee-** CDR Drew
 - Vampire CPG
 - Inter-facility CPG pending LTC Cunningham review
 - Patient packaging CPG review and Vent using deployed folks to leverage for CPG improvement
 - CDR Drew and LCDR Hardy coordination on patient packaging from JECC. Col Ervin recommending to lookup Col Russ Frantz AE at Scott AFB.
 - Knowledge management as a combined effort
- 5. Patient Hand off Sub-committee-No representative available**
- 6. Education & Training Sub-committee –LCDR Hardy**
 - REBOA working on educational podcast etc. working with Prytime.
 - List of training sites to which we can push products since JTS now “owns” the Education and Training

-Mentioned common core transport task lists of which JECC is one product

7. Research Priorities Sub-committee-COL Cap

Paper framework for research priorities then serves to shape gaps paper.
